

AHMAD UFFI LESTARI MA'RUF

WEB DEVELOPER

📍 Central Java, Indonesia

📞 +62 813-3541-9743

✉️ ahmaduffi.tech@gmail.com

ABOUT ME

I'm a Web Developer building modern, responsive, and user-focused web applications with clean, scalable frontend architecture. I emphasize performance, maintainable code, and efficient delivery using backend-as-a-service platforms like Supabase and Firebase, while actively exploring Web3 and blockchain technologies to expand my expertise.
